"How nice! And did you buy yourself anything?"
 "Yes. A duplicate key."
 —The Humorist, London

Bennett, speaking in Montreal, has arisen to the defense of the West-

Some persons in the East may not like to hear it, but in justice to

program made by that section of the country in the last decade or so has

Let us say something else while we are talking about the West and that is that if the East had as much get-up-and-go as can be found in the Prairie Provinces, we should be making greater strides than one sees today. The Westerner is a natural born optimist. Give him even a sug-

doing things in a big way. It unites Eastern communities, by way of con-

one that this business of a contrite
